OnBlind  
Publisher:  
OnBlind  
Release Date: 19 Apr, 2018

English

eon fleet engineer. eon van fleet. eon fleet manager. bt fleet eon. eon fleet steam. eon uk fleet. eon fleet vehicles

In this game your ship automatically shoots the closest enemy while you try to avoid getting hit and pick power-ups. Once you finish off all enemies the next wave begins. Waves get harder and harder. The campaign only has 10 waves which I finished in around 5 minutes. There is an endless mode but it gets boring really quick. The game is really good for 5 minutes fun only but that's it.. In this game your ship automatically shoots the closest enemy while you try to avoid getting hit and pick power-ups. Once you finish off all enemies the next wave begins. Waves get harder and harder. The campaign only has 10 waves which I finished in around 5 minutes. There is an endless mode but it gets boring really quick. The game is really good for 5 minutes fun only but that's it.
